Cllr Davies reported that following the petition being handed into Powys County Council regarding the ongoing drainage problems at Bronllys Garage he had been assured that once the weather improves the work would be carried out. However, Powys County Council are now proposing that if they put a new drainage system in it would be seen as favouring the developer of the new houses and the developer should pay for the drainage. However, if no houses are built it will result in no drainage. Cllr Davies will be speaking to the owners of the garage regarding this.

Cllr Davies reported that the new Powys County Council cabinet failed to reach a conclusion with regard to next year's budget at a meeting the previous week and that the Finance Officer now has to draw up another proposal for a meeting that is due to be held on Wednesday 5th March, 2014.
